### ***Dear Social Workers and Other Helping Professionals:***

The School continues its regular series of CE programs and online continuing education, including a revised ***Introduction to Intergerational Programs online course***, which will now also be offered for academic credit, and the School's ***Seminar in Field Instruction*** (SIFI). Also, we're pleased to offer additional continuing education workshops under our ***National Gambling Counseling Certification Training Institute*** in October featuring Dr. Lia Nowers on ***Youth and Problem Gambling*** and, in the November our own Jody Bechtold on ***Spirituality and Gambling***. Finally, this fall we will again offer our Overview of Employee Assistance Program course and coming in 2010 the School will begin an ongoing ***Advance Practice Institute*** of specialized courses for both non-degree academic credit and continuing education, including our popular Gambling Counseling Certification, Clinical Supervision, Family Therapy, Cognitive Therapy, Palliative Care, Workforce Development and Counseling, Community Economic Development, Community Organizing and more.

From October 16-17th the School is celebrating the 60th Anniversary of its Doctoral Program with a series of events and programs. Please visit the School's website for the latest updates on this important milestone celebration. In 2010 the School will follow up with two important events: The Center on Race and Social Problems will host a national conference ***Race in America*** on June 6-9, 2010, and in fall 2010, the School will celebrate the 50th Anniversary of its Community Organizing program, the first in a School of Social Work.

In addition, the School is pleased to present two training series: a reoffering of the highly rated ***On Becoming a Nonprofit CEO***, a 5-part series featuring seasoned nonprofit leaders sharing their knowledge and insights with the next generation of nonprofit leaders, and the new ***Geriatric Social Work Competencies and Professional Development Series***, a five part training institute for those in the aging field. For more detailed information on continuing education visit the ***School's new website: [www.socialwork.pitt.edu](http://www.socialwork.pitt.edu)*** and look for Continuing Education under "Alumni" for the latest ***Social Work Connections*** or ***CE Program Schedule***. ***Connections*** is available electronically, so join the School growing CE email list and request an email version of ***Connections*** at [tsssw@pitt.edu](mailto:tsssw@pitt.edu) or visit our website.
