Child Welfare Education for Leadership

STUDENT HANDBOOK

2016-2017

Child Welfare Education and Research Programs
School of Social Work, University of Pittsburgh

The Child Welfare Education and Research Programs are a collaborative effort of the University of Pittsburgh School of Social Work and its partner schools, the Pennsylvania Department of Human Services, and the Pennsylvania Children and Youth Administrators
The CWEL Handbook is updated each academic year. We recommend that you read it carefully, even if you are familiar with previous versions.

Changes for the current year are highlighted in blue.

All information on how to request expense reimbursement is in a separate document, the ‘CWEL Expense Reimbursement Guide’
I. INTRODUCTION

Welcome to the CWEL program!!

This handbook clarifies some frequently asked questions and includes requirements that you must take into consideration in planning your academic, field, and work schedules.

CWEL is a graduate-level, child welfare education program governed by the federal Title IV-E regulations contained in 45 CFR, Ch. II, Part 235 and Ch. XIII, Part 1356. The academic and work requirements described in this handbook are necessary in order to maintain compliance with both state and federal regulations and for effective program management. We take a special interest in our students and are committed to supporting your professional growth and development.

Always review this Handbook before you contact us to save time.

- The Principal Investigator of the CWEL program is Dr. Helen Cahalane.
- Academic and other school issues, including tuition, are handled by the Academic Coordinator, Dr. Liz Winter.
- County agency issues are handled by the Agency Coordinator, Dr. Yodit Betru.
- Ms. Yvonne Hamm handles many CWEL program issues and can help direct you to someone else if need be.
II. PROFESSIONAL EDUCATION AND DEVELOPMENT

The CWEL program is designed to strengthen public child welfare services in Pennsylvania by providing educational opportunities at the graduate level for public child welfare personnel.

<table>
<thead>
<tr>
<th>Child Welfare: A Profession, Not Just a Job!</th>
</tr>
</thead>
<tbody>
<tr>
<td>You are continuing your journey as a social work professional in public child welfare. As a CWEL Student, you represent your profession, your county agency, your school, the CWEL program, and child welfare at all times, not just when you are working at your agency!</td>
</tr>
<tr>
<td>Students are required to uphold and demonstrate the values of the social work profession and to follow the Code of Ethics of the National Association of Social Workers.</td>
</tr>
<tr>
<td>Please be aware that to remain in good standing in the CWEL program, students need to follow the NASW Code of Ethics as well as meeting CWEL program and school requirements. For example, this means providing documents and information as requested in a professional and timely manner; responding to emails and other communications quickly and staying in collaborative contact with CWEL program faculty and staff.</td>
</tr>
<tr>
<td>In the event that a CWEL Student does not follow CWEL program requirements, then CWERP will hold a team decision-making conference with the CWEL student to develop a plan for the student to successfully meet all program requirements. The CWERP program faculty will decide whether a CWEL Student may continue in the program or not.</td>
</tr>
</tbody>
</table>
III. COMMUNICATION WITH CWEL

Please Be Considerate When Contacting CWEL!

1. Before you contact us, read the Handbook – many of the answers to your questions are here!

2. Only contact ONE person at CWEL – it is a waste of time for more than one person to be answering the same question! If you contact the wrong person, we will make sure to get your question to the person who can help you.

3. Keep your Child Welfare Education and Research Programs (CWERP) ID number where you can find it easily (for example, in your phone). Your CWERP ID will be used throughout your participation in CWEL and following your graduation.

(i) There are several requirements that you will need to attend to upon admission to CWEL.

<table>
<thead>
<tr>
<th>Requirements Immediately Following CWEL Admission</th>
</tr>
</thead>
<tbody>
<tr>
<td>When you receive your CWEL admission letter</td>
</tr>
<tr>
<td>Submit enclosed Permission to Release Academic Information form (FERPA Release)</td>
</tr>
<tr>
<td>Submit enclosed Contracts</td>
</tr>
<tr>
<td>Submit W9</td>
</tr>
<tr>
<td>Before your first semester starts</td>
</tr>
<tr>
<td>Enter your Student Information online at <a href="http://www.cwerp.pitt.edu">www.cwerp.pitt.edu</a></td>
</tr>
<tr>
<td>Submit <a href="#">Google travel information</a></td>
</tr>
</tbody>
</table>

(ii) Email and the web are the primary modes of communication between CWEL and students. Students must provide current, valid county, school and personal email addresses to CWEL. Students are responsible for monitoring their email regularly. Most emails from the CWEL program are time sensitive and students are responsible for meeting deadlines.
TIPS!

- Adjust filter settings to allow email from CWEL faculty and staff
- Regularly check “junk” or “spam” email folders for CWEL messages
- Add CWEL program staff email addresses to your “safe sender” list when enrolling in the CWEL program or when adding a new email address

(iii) CWEL faculty travel to school campuses annually to meet with students. **Attendance at your campus meeting is a requirement.** If you are unable to attend your scheduled meeting, contact CWEL to make arrangements to attend at another campus in your area or at the University of Pittsburgh.

(iv) **CWEL ONLINE STUDENT INFORMATION SYSTEM:** Every semester, students are required to submit their Student Information online including courses and detailed field information to CWEL at [www.cwerp.pitt.edu](http://www.cwerp.pitt.edu), whether taking classes that semester, or not. If you are not taking classes, select ‘Other’ from the drop-down menu, then you will enter “No Courses”.

**TIP!! Update Your Online Student Information Every Semester**

1. Access the Online Student Information System
   [https://www.cwerp.pitt.edu](http://https://www.cwerp.pitt.edu)
2. Log in:
   a. Enter your CWERP ID (already sent to you)
   b. Enter your password, or click on the message and enter the information requested to have your password emailed to you.

   For technical assistance, contact Ms. Yvonne Hamm at 412-624-7273 or ymh4@pitt.edu.

   **Tuition and expenses are not released unless your information is current every semester.**

Your Student Information serves several functions, and is necessary for academic tracking and auditing purposes. This information includes data such as:

- Current, valid work, school, and home email addresses
- Current valid home address
- Current valid work, home, and cell phone numbers
- Classes and detailed field information for EVERY SEMESTER, including credit hours
- Days of the week attending school
- Internship site, type, and days of the week you are in field
- Your anticipated graduation date
Example of semester field information:

Agency type: Private – Non Profit
Agency: Pegasus Youth Services
Scope: Recruiting resource parents, home studies, home inspections
Program: Treatment Foster Care
Population: Children with behavioral and/or medical concerns in need of placement

(vii) If your email address changes, update your online Student Information.

(viii) There are several other required periodic contacts with the CWEL program. For your convenience, these requirements are shown in the following tables. Page references to the relevant locations in the Handbook are shown in the tables below.

**Remember to Check the Rest of the Handbook for Details**

III. PROGRAM EVALUATION

(i) CWEL conducts an annual program evaluation with participating county agencies, school partners, graduates, and students, which is reported to the Pennsylvania Department of Human Services and other stakeholders. The evaluation includes student, agency, and school satisfaction, along with data on recruitment, completion, and retention.

(ii) Please complete your online survey, when you receive the request. Your input is needed and your feedback has a positive impact upon the program. A high return rate is needed for effective evaluation and to offer important information to state and federal regulators.

IV. AGENCY-RELATED ISSUES

(i) All full-time students are required to return to their agency for work assignments during the summer and whenever there is a break from school greater than 15 working days.

(ii) CWEL reimburses salaries and benefits to agencies for full-time students. Reimbursement continues uninterrupted throughout the summer months and during school breaks.

(iii) Students remain agency employees during their time in school and are governed by agency personnel policies and procedures.

(iv) Contact Dr. Betru or Dr. Winter immediately concerning any potential change from part time to full time study, or vice versa. This requires approval from your agency, school, and CWEL.

(v) Contact Dr. Betru immediately regarding any work performance-related issues at your agency, including disciplinary meetings, warnings, suspensions, and potential/actual termination.

Contact Dr. Betru if:
- You have work performance issues
- You have any disciplinary meetings
- You receive verbal or written warnings
- You are suspended from work
- Any potential or actual termination
V. COMMITMENT AND RECOUPEMENT OF FUNDS

(i) All students are subject to the legally binding commitment to work for their agency upon program completion. For full-time students, this is for a period of time equal in number of full months to the number of full and partial months for which they received CWEL financial support. For part-time students, commitments are computed based on the percentage of the degree funded by CWEL and the amount of time needed to complete the degree by a full-time regular admission student. Before any time may be counted toward fulfillment of agency commitment, all graduation requirements and all CWEL academic requirements must be completed. Following return to the agency, graduates must be providing Title IV-E services.

(ii) On completion of the CWEL program students will receive a letter containing details of their commitment, once relevant information has been received from schools and processed.

---

**IMPORTANT NOTICE**

**Program Completion and Recoupment**

Students who fail to graduate, leave the CWEL program prior to graduation, are dismissed from the CWEL program during their course of study, or fail to fulfill their entire commitment by maintaining their agency employment upon graduation, are obligated to repay the full amount of any tuition, fees, salary, benefits, travel, and book/educational supply expenses paid to them or on their behalf during their enrollment in CWEL.

Please note that the commitment period must be completed in full or the total amount paid on the student’s behalf becomes repayable; repayment amounts are not prorated.
VI. ADMISSIONS and ACADEMIC REQUIREMENTS

(i) Students are admitted to CWEL with either regular or provisional status. If, for any reason, CWEL is concerned about a student’s ability to be successful in the CWEL program, that student may be admitted with provisional status. Admission with provisional CWEL status is at the sole discretion of the CWEL Admissions Committee.

Note: This is a CWEL program status and is separate from your school admission status.

A student admitted with provisional status must achieve a minimum cumulative grade point average (GPA) of 3.0 by the end of the first semester of study within the CWEL program. Provisional status for students who achieve a minimum cumulative GPA of 3.0 by the end of the first semester of study will be changed from provisional to regular status at that time.

Any provisional student who does not achieve a minimum cumulative GPA of 3.0 by the end of the first semester of study described above will be dismissed from the CWEL program at that time. Provisional students who are dismissed from CWEL will be subject to the recoupment provision in Section V (page 10) in relation to all funds paid to them or on their behalf during their participation in the CWEL program.

(ii) Students are accepted by CWEL for either full-time study or part-time study. Students who remain in full-time work must follow the part-time course of study at their school and may take up to 9 credits (or three courses) in Fall and Spring semesters. **Part-time students may not stay in their agencies for full-time work AND follow a full-time course of study.** Students may not pay for additional classes themselves to avoid compliance with this or any other requirement.

<td>Remains at agency for full time work</td>
</tr>
<tr>
<td></td>
<td>Follows PT course of study only (limited to 9 credits in Fall and Spring semesters)</td>
</tr>
</tbody>
</table>

(iii) All incoming CWEL students must complete and return the following documents (properly completed and witnessed where indicated).

These documents are included with the CWEL admission letter:

a. Contracts
b. Family Educational Rights and Privacy Act (FERPA) release of information form
c. W9 form

*Until these documents are received, we cannot release any CWEL funds.*
(iv) Students enrolled in graduate school prior to CWEL funding must provide a transcript of their grades to date as part of their CWEL application. **Students already enrolled must submit and receive CWEL approval for their proposed remaining course of study.**

(v) **All CWEL students must enroll in a direct practice (clinical) concentration or specialization unless the position held prior to school enrollment was an administrative or supervisory one. An exception to this may occur where an agency confirms in writing to CWEL that the position which the student will hold following CWEL program completion will be administrative or supervisory in nature.**

(vi) **Certificate programs outside of those in child welfare studies are not permitted for CWEL students.** For example, Home and School Visitor and Play Therapy are not allowed. Deviating from these guidelines places the CWEL program in jeopardy and represents a violation of Title IV-E educational standards.

(vii) **You are required to take a minimum of two child welfare-related courses during your academic program.** Courses have been pre-approved for each partnering school. Students at some schools may have additional academic requirements. **Please see the list of approved courses and specific school requirements** at the end of this section.

(viii) Graduate social work programs require two field placements, one during the first year and the other in year two. One placement is typically required for students with advanced standing from an accredited baccalaureate social work program. **At least one placement must be a child and family focused placement in a public or private program serving Title IV-E eligible clientele.** In collaboration with your school, we will work with you in determining whether a potential placement meets this requirement. **For students with two placements, the child and family focused placement should be the second placement.**

   **Note: CWEL students may not accept paid field placements**

(ix) **CWEL students may not register for any classes with a foreign travel component,** even if they are able to pay for the class using non-CWEL funds.

(x) **CWEL students may take a maximum of two courses online** as part of their degree studies. Policy, research, or theory (Human Behavior in the Social Environment) courses may be taken online. **CWEL students may not take online practice courses,** such as Social Work Practice with Children and Adolescents or Family Focused Social Work Practice.

(xi) Under the Council on Social Work Education (CSWE) guidelines, both full-time and part-time students must complete graduate social work degrees within four years. For full-time CWEL students, completion is expected within two years.

(xii) Students may wish to take course or fieldwork in the summer. For full-time students, summer enrollment is in addition to the requirement of returning to their agency for full-time employment. **All summer courses must be approved in advance by the CWEL program and preference is given to part-time students whose course of study includes summer courses.**
We are always happy to hear about your school-related successes – please contact Dr. Winter with your news. Sometimes students encounter academic difficulty during their graduate studies. We will collaborate with you and your school to help resolve any academic difficulties that may occur.

**Contact Dr. Winter if:**

- You receive awards or other recognition
- You want to change your course load
- You want to take extended field
- You plan to withdraw from a course
- You have an Incomplete grade
- You fail or have to retake a course (or expect to)
- You have an Academic Review or Probation
- You may need a leave from school for any reason
- Your Grade Point Average falls below 3.0
- Your field placement changes
- Your expected graduation date changes
### APPROVED CHILD WELFARE COURSES BY SCHOOL

Please note:
- Course offerings may change and not all elective courses may be available in any one academic year or at your primary campus
- Required, general social work courses (e.g., first-level human behavior, cultural diversity, administration) do not meet the child welfare course requirement.

SWRK 799    Violence in Relationships through the Lifespan  
SWRK 796    Poverty, Welfare and Work

Please note: SW 760, Mental Health Diagnostics is no longer a CWEL-approved course.

The following course is under review – contact Dr. Winter for details.

SWRK 733    Mental Health Challenges in Childhood and Adolescence

University of Pittsburgh

REQUIRED for all CWEL Students:

SWBEH 2062    Children and Families at Risk  
SWWEL 2059    Child and Family Policy

Plus two of the following:

SWINT 2047    Child Permanency  
SWINT 2063    Child Maltreatment  
SWINT 2049    Direct Practice with Children and Adolescents  
SWINT 2009    Family Conferencing and Teaming  
SWINT 2035    Intimate Partner Violence  
SWINT 2096    Social Work Practice with African American Families  
SWINT 2042    Social Work Practice with Drug and Alcohol Dependent Persons  
SWINT 2011    Social Work Practice with Families  
SWINT 2072    Social Work Practice and Traumatic Stress
Temple University

**REQUIRED for all CWEL Students starting school in or after Fall 2011:**

SW 8403  Child and Family Human Behavior in the Social Environment  
SW 8407  Child and Family Policy  

**Plus two of the following:**

SW 8803  Emotional Disorders of Children and Adolescents  
SW 8811  Alcohol and Substance Abuse  
SW 8824  Assessment and the DSM-IV

*Students in the Management and Planning concentration should contact Dr. Winter to discuss their CWEL academic requirements.*

West Chester University

SWG 576  Child Welfare: A Resilience and Trauma-Informed Approach  
SWG 562  Advanced Social Work Practice with Families  
SWG 570  Substance Use Disorders

Widener University

SW 648  Child Welfare: Practice and Policy  
SW 648  Children and Families at Risk (from Spring 2016)  
SW 642  Social Work Practice with Children and Adolescents  
SW 660  Advanced Social Work Practice with Families  
SW 663  Social Work Practice with Addicted Persons and Their Families  
SW 664  Treating Trauma  
SW 626  Biographical Timeline  
SW 683  Social Work with Urban Youth

*ONLY students who started school before Fall 2015 may count SW 664, Treating Trauma, as one of their CWEL-approved courses.*
VII. TUITION and FEES

(i) Your school fiscal office has been advised that you are a CWEL student; we work closely with schools regarding billing issues.

(ii) Tuition for the state universities is reimbursed at the in-state (Pennsylvania resident) rate for all students.

(iii) CWEL does pay matriculation and graduation fees.

(iv) Your tuition bill cannot be paid until several weeks into the semester (except Pitt students). Schools invoice CWEL every semester for all CWEL students after the Add/Drop period. It takes an average of one month to process payments and credit accounts after schools generate final invoices. CWEL reviews your school’s invoice against the course information that you have entered into your online Student Information, resolves any questions, and then requests payment through the University of Pittsburgh’s payment system. The check is processed and sent to CWEL and we forward it to your school, which then credits every student’s individual account. You will still receive a bill each semester from your school even though you are obtaining Title IV-E educational funds through CWEL.

TIPS!

- Confirm directly to your school’s fiscal/Bursar’s office that you are a CWEL student. Depending on your school, you may need to do this every semester.
- If you receive notices that you are being dropped from classes, then:
  - Reconfirm with your school that you are a CWEL student, and
  - Contact Dr. Winter, who will also contact your school
- If you have an outstanding balance on your account after tuition has been paid, find out from your school what it is for, before contacting CWEL, so you can let us know exactly what has not been paid or make payment yourself. For example, if you have a library fine, it is not covered by CWEL.

(v) NEW for University of Pittsburgh Students: Please note that you no longer need to email a PDF of your bill to Dr. Winter each semester. However, your Online Student Information MUST be entered in full at least 5 business days BEFORE the due date on your tuition bill, which is always before the start of the semester. Students are responsible for late fees incurred if Online Student Information is not completed by the due date.

(vi) Adding and Dropping courses: You need to notify Dr. Winter if you add or drop courses after you have entered your courses into the CWEL online Student Information System each semester. If, for example, we have paid your bill prior to the addition of another class, your account will carry an unpaid balance. This can stop you registering for the next semester and may result in late fees that will be your responsibility. In your final semester, unpaid balances
may prevent you from officially graduating, receiving your diploma or your final transcript. Also, if you add, drop or withdraw from a course after a university deadline which results in a late charge OR only a partial refund of payment, you will be responsible for that charge or tuition balance.

(vii) Please note that the department crediting your account at school may not be the same department that sends the bill to CWEL. This means that you might receive a notice stating that your tuition is unpaid, that a late charge has been added, or that your registration is on hold. Despite the reasons for these administrative matters, we know that it does cause concern when you receive notices from student financial services. Please contact Dr. Winter with any questions regarding payment of your tuition.

(viii) CWEL students are not entitled to tuition/fee refunds from their respective school. These funds belong to the CWEL program. Notify Dr. Winter if any monies are credited to your account.

(ix) Restrictions on the use of CWEL funds

<table>
<thead>
<tr>
<th>CWEL Funds Cannot Be Used For:</th>
</tr>
</thead>
<tbody>
<tr>
<td>a. Dual degree programs or certificate programs (other than child welfare). This includes programs such as the MSW/MPA, MSS/MLSP, MSW/MPH, MSW/JD, etc. Funds also cannot be used for partial payment of dual degree programs.</td>
</tr>
<tr>
<td>b. Tuition or other costs related to the completion of courses which are prerequisites for the student’s graduate Social Work education.</td>
</tr>
<tr>
<td>c. Any tuition over the in-state rate billed to a student who is not a resident of Pennsylvania.</td>
</tr>
<tr>
<td>d. Costs related to courses with an overseas travel component. If you are uncertain about whether a course falls into this category, please contact Dr. Winter before registering for the course.</td>
</tr>
<tr>
<td>e. Pre-existing tuition or fee charges for those students who started school prior to CWEL participation.</td>
</tr>
<tr>
<td>f. Accident or health insurance. Some schools require that you submit a waiver for health insurance, otherwise students are charged a health insurance premium for the year. Other schools require that each student have individual accident insurance. The CWEL program cannot pay these charges and it is the student’s responsibility to monitor correspondence and bills from your school.</td>
</tr>
</tbody>
</table>
Stay in touch with the CWEL Program!

The CWEB/CWEL programs have a Facebook page to highlight major issues, legislation, and breakthroughs in Pennsylvania’s child welfare workforce.

We also want to hear from you. Send us your accomplishments, accolades, awards, and achievements. We want to hear how you are shaping the landscape of child welfare casework in your agency!
