AgeWell Pittsburgh (JF&CS and JAA Placement)

AgeWell Pittsburgh is a pioneering collaborative program of the Jewish Community Center, Jewish Family and Children's Service, and the Jewish Association on Aging. As unique placement, over the course of the year, the student will have a rotation through two of the sites, learning different skills sets at each location, while also shadowing at the 3rd. Among the many programs the student will be involved with are adult day service programs, hospice, a community food pantry, support groups, and social and recreational programming. Additionally, the student will be responsible for a survey of clients served.
