Sto-Rox Youth Partnership

Focus On Renewal and McKees Rocks Community Development Corporation has an opportunity for a social work student to take the lead in a new initiative: The Sto-Rox Youth Partnership. The purpose of the partnership is to gather youth serving organizations and to make programs and activities accessible (through communication, transportation, cost, etc) and to engage youth in creating and owning youth serving programs and activities.

The student would be the lead staff with support and direction from Community Development Corporation and Focus On Renewal staff.

This is a community organizing opportunity where the student would organize, prepare and lead meetings of service organizations. The student will also have the opportunity to do grant research and writing, promote the work of the Youth Partnership, engage and organize youth to promote their voice in the community and interface with other organizations.

The student should have excellent verbal and written communication skills as well as good organization and self initiation.
