Woodland Hills School District
( Elementary and Secondary experiences available)  

**Position:** Home & School Visitor Intern

As a Home and School Visitor in Woodland Hills School District you have the opportunity to work in multiple school environments including: Elementary, Middle School, and at the High School level. Home and School Visitor Interns in the Woodland Hills School District are required to have their clearances, TB shot and an interview before starting the position. Home and School Visitor Interns are expected to help address issues such as attendance, truancy, residency verification, homelessness, and accessing community resources and services for both the student and the student’s family. Interns get the opportunity to run Social Skills groups at the Elementary level, attend parent meetings (SAP, IEP’s, TEP’s). They are also exposed to multiple grade levels, buildings, and administrators throughout their placement. Woodland Hills School District employs 4 Home and School Visitors, so you will have the opportunity to work with at least 2 Home and School Visitors, which helps you to see different styles and see how one building can vary from another.

Interns get experience with interacting with community agencies, parents, students and staff. Interns will also participate in home-visits, as necessary, and have the opportunity to attend magistrate hearings and possibly dependency hearings. Interactions with CYF and KidsVoice will also take place.
