## Mental Health Therapists

We have full time and part time positions available in ATHENS, HOCKING, and JACKSON counties in Ohio. Most positions are **National Health Service Corp Loan Repayment** eligible. Opportunities include outpatient generalists, school-based, and early childhood positions.

Hopewell Health Centers, Inc. is a safety net provider for behavioral health and primary care services in Southeastern Ohio. HHC was created in July 2013 when two well-known, well respected organizations joined forces. Tri-County Mental Health and Counseling Services, Inc. and Family Healthcare, Inc. had been meeting the needs of patients for over 40 years. Now, as a combined organization we are actively and aggressively pursuing an integrate care model.

Therapists who practice with HHC have the opportunity to do so with a caring and supportive multi-disciplinary team of healthcare providers. HHC offers on site clinical supervision toward independent licensure as well as specialty supervision in several locations. Examples of specialties include Play Therapy, CBT, Home-Based Family Therapy, Addictions and more.

**Requirements:** Master's Degree in a related field with a license to practice through the Ohio CSWMFT Board; Independent license for some positions is preferred.

Hopewell Health Centers, Inc. is an Equal Opportunity Employer offering excellent, highly affordable benefits including: health, dental, vision, and life insurance, paid vacation, holidays, and sick leave, 401(k) retirement plan, and more.
