

JOB DESCRIPTION

Title: Therapist
Classification: Full-time/Exempt
Reports To: Clinical Supervisor

Overview – POWER’s mission is to help women reclaim their lives from the disease of addiction to alcohol and other drugs, and to reduce the incidence of addiction in future generations. We are an agency committed to quality gender-responsive, trauma-informed care to women with substance use and co-occurring disorders. All of POWER’s programs reflect the lives of women and address the issues that matter most to them.

The Therapist, who is a member of the Treatment Team, is responsible for working with women in treatment in a manner that is gender-responsive and trauma-informed, to help them develop an individualized treatment plan and achieve their goals and objectives, by learning the skills necessary to live free from the burden of addiction.

Essential Duties and Responsibilities:

1. Conduct comprehensive bio-psychosocial assessments, which, together with screening, level of care assessment, and other initial diagnostic interviews and strategies; drive treatment planning.
2. Together with clients, help to identify needs and develop individualized, strength-based treatment plans that reflect client’s goals and objectives. Review and update Treatment Plans as required.
3. Provide individual and group therapy.
4. Provide family education and counseling.
5. Provide drug and alcohol education and facilitate psycho-education groups and life skills development classes as needed.
6. Work with the consulting psychiatrist to ensure that clients’ behavioral health needs are being addressed and help to facilitate and integrate the psychiatrist’s recommendations.
7. As a member of the treatment team, using a strength-based and trauma-informed approach, works collaboratively with the clients and other treatment team members (internal and external) to help support clients in their treatment and recovery.
8. Is knowledgeable about and remains in compliance with internal and external policies, procedures, regulations, and standards; including, for example, all of POWER’s policies and procedures and Quality Assurance Plan, BDAP requirements, State Licensing standards, County Monitoring requirements, and managed care regulations.
9. As needed, conduct screening and assessments, utilizing PCPC criteria, to determine the appropriate level of care. Based on the assessments, refer clients to the appropriate treatment programs and agencies.
10. Models and supports clients in health and wellness activities and with using healthy coping skills.

11. Complete paperwork requirements and maintain quality, up-to-date clinical records.
12. Participate in all staff development and training as required.

Requirements:

- Master's Degree in Social Work, Counseling or related field, and a minimum of two (2) years clinical experience in a drug and alcohol or mental health setting; or Bachelor's Degree in Social Work, Counseling or related field, and a minimum of three (3) years experience in a drug and alcohol or mental health setting. LCSW or LPC preferred for master-level candidates and CAC preferred for bachelor-level candidates.
- Experience in a women-centered treatment environment or with gender-responsive care preferred.
- Experience with trauma-informed services; cognitive behavioral therapies, including DBT; and motivational therapies including the use of incentives, preferred.
- Personal recovery experience not required, however, knowledge of recovery support systems and 12-Step programs preferred.
- Strong interpersonal and engagement skills.
- Strong organizational and time-management skills.
- Excellent written and verbal communication skills.
- Ability to support the agency's mission and philosophy, and demonstrate sensitivity to cultural diversity and workplace harmony.
- Value for and ability to deliver excellent customer service.
- Good computer skills; experience with an EMR system a plus.
- Ability to obtain Act 33 and 34 Clearances.
- Valid PA driver's license.

Working Conditions:

- Ability to work in POWER's various program sites and offices.
- Ability to work the hours necessary to complete the work.
- Ability to climb stairs and lift light boxes.
