About Glade Run

Glade Run is a 501(c)(3) non-profit corporation that provides autism, mental health educational, and unique therapeutic offerings to children and families through school and community based offerings across Western Pennsylvania. Founded as an orphanage in 1854, we are proud to stand behind 163 years of building a brighter future for children and their families. Services include St. Stephen’s Academies – licensed private schools offering ASD programming and direct positive behavior interventions and supports for youth in grades K-12; community and school based mental health services for children, adults and families; psychiatric rehabilitation, transition offerings for teens and young adults with autism, and therapeutic animal and horticulture programs through Glade Run Adventures.

Glade Run is an Autism Friendly Organization, a United Way partner agency, and is Sanctuary certified by the Andrus Institute. We are looking for those who share our mission to link faith and service!

School Based Therapist - Mental Health Partnership Licensed/ Credentialed (Part/Time)
Positions available in Allegheny, Beaver and Butler Counties
Job Description
The Licensed/ Credentialed School Based Therapist will complete intakes (inclusive of psycho-social assessment, initial treatment plan and required legal consents) for assigned school-based clients, develop measurable treatment plan goals in collaboration with the assigned client, complete treatment reviews in accordance to outpatient regulations, and provide individual, group, and family therapy as indicated in the treatment plan.

School Based Therapist- Mental Health Partnership Non-Licensed (Part-Time)
Positions available in Allegheny, Beaver and Butler Counties
Job Description: The School Based Therapist works primarily from a school setting. Job responsibilities include: completing client intakes (inclusive of psycho-social assessment, initial treatment plan and required legal consents); develop measurable treatment goals in collaboration with clients and families; complete treatment reviews in accordance with outpatient regulations; and provide individual, group, and family therapy as is clinically indicated. This position follows the school calendar. Opportunities may be available during the summer months for additional work.

Behavioral Specialist Consultant – Licensed and Non-Licensed (Part-Time)
Positions available in Allegheny, Beaver and Butler Counties
Job Description
The Behavioral Specialist Consultant is a member of the Wraparound team. Wraparound provides behavioral health treatment to children up to age 21 who have a mental health diagnosis or Autism Spectrum Disorder. The services use professional staff and natural supports to literally "wrap" services around an identified child and the child's family. Services can be provided in the child's home, community and school.
Monitor of Family Based Mental Health Services
Job Description
Family Based Mental Health Services provides intensive family focused therapy, delivered primarily in the home, to families who have a child with a diagnosed mental health condition and are at risk for out-of-home placement.

The Supervisor of Family Based Mental Health Services will assist the Program Manager in the oversight of the clinical, administrative, and fiscal responsibilities of the program. This will include but not be limited to: weekly team and group supervision to the Mental Health Professionals in the program, reviewing documentation, opening new cases and assisting teams in providing treatment. The Supervisor will work in Beaver, Butler and Lawrence counties and needs to be able to work non-traditional, flexible hours and meet productivity standards.

Mobile Therapist
Positions Available in Allegheny, Beaver and Butler Counties
Job Description
The Mobile Therapist is a member of the Wraparound team. Wraparound provides behavioral health treatment to children up to age 21 who have a mental health diagnosis or Autism Spectrum Disorder. The services use professional staff and natural supports to literally "wrap" services around an identified child and the child's family. Services can be provided in the child's home, community, and school.
