**Assistant Professor - Knoxville Campus**

The University of Tennessee College of Social Work invites applications for a tenure-track Assistant Professor. The position will be located at the College of Social Work Knoxville Campus. Located at the flagship campus, the Knoxville location lends itself to a variety of interdisciplinary research opportunities across campus as well as research opportunities with a wide network of health and behavioral health organizations.

**Required Qualifications**

- Experience in community engagement and community-based research
- A commitment to diversity and inclusion
- Evidence of ability to engage in externally funded research
- MSW degree from a CSWE accredited program and a PhD in Social Work or a related field (ABD will be considered)
- 2 years post MSW practice experience
- Commitment to building on the successes of the college and contributing to its strong base of improving lives and systems
- Ability to teach neuroscience in social work practice
- Ability to teach clinically oriented courses

---

**Assistant Professor - Nashville Campus**

The University of Tennessee College of Social Work invites applications for a tenure-track Assistant Professor. The position will be located at the College of Social Work Nashville Campus. Located in the capital of the state, the Nashville location lends itself to a variety of interdisciplinary research opportunities with multiple organizations e.g., community, universities/colleges (Vanderbilt University, and HBCUs – Meharry Medical School, Fisk University, Tennessee State University) as well as research opportunities with a wide network of health and behavioral health organizations.

**Required Qualifications**
Experience in community engagement and community-based research
A commitment to diversity and inclusion
Evidence of ability to engage in externally funded research
MSW degree from a CSWE accredited program and a PhD in Social Work or a related field (ABD will be considered)
2 years post MSW practice experience
Commitment to building on the successes of the college and contributing to its strong base of improving lives and systems

Preferred Qualifications

- Ability to teach neuroscience in social work practice
- Ability to teach clinically oriented courses

The University of Tennessee College of Social Work is seeking candidates who have the ability to contribute in meaningful ways to the diversity and intercultural goals of the University. Review of applications will begin immediately and continue until the position is filled. Interested individuals should provide a cover letter addressing professional experience relevant to each required qualification, curriculum vitae, and names, addresses (postal and email), and phone numbers of five references to:
