Squirrel Hill Health Center

LICENSED CLINICAL SOCIAL WORKER: BEHAVIORAL HEALTH AND MAT CLINICIAN – PART-TIME OR FULL-TIME
Squirrel Hill Health Center, a non-profit community health center, seeks a part-time Licensed Behavioral Health Clinician to work as a key member of the Behavioral Health and Medication-Assisted Treatment (MAT) teams to evaluate, treat, and assist patients in overcoming mental health, social/emotional, and economic barriers that prevent optimal health and well-being. As a clinical specialist, the clinician will work with both teams, including the staff psychiatrist, lead MAT provider, and interdisciplinary staff members to provide team-based coordinated care. The individual will assess and provide therapeutic intervention for patients who have co-morbid mental health and substance issues while adhering to practice and regulatory standards. The clinician will be responsible for working with both individuals and groups within the center’s patient population, employing evidence-based practices in an integrated health care setting. When patients require ongoing clinical services beyond the scope of our center, the clinician will connect patients to appropriate agencies, coordinating all aspects to ensure full compliance with mental health laws and confidentiality. They will work collaborative with the center’s providers to ensure holistic patient care, and when needed, provide patient, staff, community, and staff education seminars.

Qualifications:
Required:
- LCSW with a minimum of two years mental health and case management experience in community health care environment
- Licensed and credentialed by local behavioral health insurance companies
- Experience in mental health and substance abuse assessment, evaluation, and treatment
- Basic computer skills and ability to work in EHR
- Demonstrated ability to work both independently and as part of a team
- Desire to serve underserved population required.
- Drug and Alcohol counseling experience.

Preferred:
- CAADC credential
- Experience in community health care environment
- Knowledge of Spanish, Nepali, or Arabic a plus.
