

Familylinks is seeking part-time Outpatient Therapists

For thousands of people and families in our region, Familylinks is a strong connection to a life of health, hope and independence. Our services help those who are struggling with mental health issues, developmental disabilities, addictions, abuse, behavioral problems, illnesses and other life challenges. Our organization is one of the most respected in the region for successfully delivering those services.

Familylinks is seeking part-time Therapists to work in either of our outpatient clinics and/or in a school setting (Pittsburgh Public schools).

Position Summary: This position provides outpatient therapy and related clinical services to child, adolescent, and/or adult clients and their families, in office and/or school settings.

Required: Master's Degree in Social Work, Psychology, Counseling, or a related field. Considerable knowledge in Child Development, Family Systems Theory, and Brief/Solution-Focused Treatment or other comparable treatment modalities. Act 33/34 and FBI Clearances.

Preferred: PA License and Insurance Credentialed preferred.

Primary Responsibilities:

1. Prepare or assist in preparation and implementation of treatment/educational plans and goals that reflect unit standards and measurable outcomes.
2. Assess or provide therapy, counseling, intervention and/or education to clients in a professional manner. Provide clinically appropriate treatment based on mental health assessment and treatment plans.
3. Complete timely and accurate documentation. Meet audited tested requirements.
4. Communicate, collaborate and meet with staff, families, external agencies and/or others as necessary to support services to clients and the mission of the agency. Inform, instruct and assist client concerning the access of appropriate community resources.

Compensation: \$25.00/hr.

Our clinic locations:

2644 Banksville Road (Dormont)
Pittsburgh, PA 15216

250 Shady Avenue (East Liberty)
Pittsburgh, PA 15206
