Introduction

Welcome to the CWEB expense system, all of which is online.

You must enter your expenses online at www.cwerp.pitt.edu (the same portal you already use to enter your Student Information). You will digitally sign a signature sheet and then email it with receipts and other supporting documents to cwerp@pitt.edu

TIPS: Before Completing Your Expense Report Online

- ✓ **Read this entire Expense Reimbursement Guide!!!**
- ✓ Download and read the Expense Report PowerPoint presentation on the CWERP website
- ✓ Consultations are available for those having technical difficulties by contacting Joe DiPasqua at jfd28@pitt.edu

Prerequisites

To access the Online Expense Report, you will need to have provided the following:

- a) Course and internship information for the semesters you are in the CWEB program in the Child Welfare Education and Research Programs (CWERP) Student Information System (SIS) at www.cwerp.pitt.edu.
- b) Current or previous Child Welfare Course Information

TIP: Completing Your CWEB Information

- ✓ This includes entering 'No courses' for any semester in which you do not have classes or internship.

- c) Permission to Release Student Information form (FERPA) (except for Pitt students)
- d) CWEB Contract (completed online through DocuSign)

General Requirements

1. **CWEB funds run from July 1st to June 30th each year.** Submissions for expenses from a previous fiscal year cannot be honored in a new fiscal year once the prior year's funds have been closed out. If a book expense was incurred BEFORE you came into the CWEB program, please contact Dr. Brooke Rawls for approval.
2. It takes **at least six weeks** to completely process reimbursements, from the time we authorize your reimbursement request until you receive a check from the University of Pittsburgh. (Reimbursement checks are processed and issued by the University, not directly by the CWEB Program.)

Processing takes longer around holiday periods, winter breaks, the fiscal year end (June 30) and other times when all university offices are closed.

Please wait at least 6 weeks after submission (or resubmission of corrections) to inquire about the progress of your book reimbursement.

3. Incorrectly completed expense reports or issues with supporting documentation will require correction and resubmission.
4. When submitting Expense Reports, only record book expenses for which you have receipts.
5. When you have completed the online portion of the process, email the **signed** signature page together with your supporting receipts and/or documents.
 - a) Include **all relevant** receipts.
 - b) Remember to keep a copy of your receipts for your own records.

Expense Report Statuses

1. Expired Expense Reports

- a) If, after 60 days, a student has not submitted supporting documentation for their expense report, they will receive an email from CWERP.
- b) At that time a student will have 15 days to send in all supporting documentation for an Expense Report.
- c) After 15 days, if documentation is not received or the student has not contacted CWERP, the Expense report status will be changed to “Expired.”
- d) If an expense report has expired, the student will have to create a new Expense Report to be reimbursed for those expenses.

2. Expense Reports and the End of the Fiscal Year

- a) Any expense reports still in created status or without supporting documentation will expire at the end of the fiscal year (June 30th).
- b) This includes Expense Reports created on or prior to June 30th in the fiscal year.
- c) Expense reports for the prior fiscal year submitted after the start of the new fiscal year will not be accepted or reimbursed.

3. Rejected Expense Reports

- a) An Expense Report will be rejected when submitted expenses are **not** allowable under program policy

Accessing the Expense Report

The screenshot shows a user interface for 'Child Welfare Education for Baccalaureates'. On the left is a vertical menu with buttons: Home, Course Information, Expense Report (highlighted with a green arrow), Contact Information, Change Password, Upload Photo, and Log Out. The main content area displays a user profile for 'Bob', a greeting 'Hello Bob,', and a status message: 'Your status in the CWEB program is: Current Student'. Below this is a message about course information entry for the Summer term starting April 3rd. At the bottom, there are four links: 'CWEB Expense Reimbursement Guide' (Adobe PDF File), 'CWEB Student Handbook' (Adobe PDF File), 'CWEB Student Information System Instructions' (Adobe PDF File), and 'CWEB Webinar' (PowerPoint File). A red warning message at the bottom states: 'Do not use the back button on your browser. You will be timed out of the system after 60 minutes of inactivity.'

Once you have successfully logged into the site, you will reach this **Welcome Screen**. From here, click on the **Expense Report** button, highlighted above.

The screenshot shows the 'Welcome to the CWEB Expense Report Page!' screen. It includes a link to the 'Expense Reimbursement Guide'. Under the heading 'What you need to do:', there is a list of three steps: 1. Fill out this online form (with a tip: 'You can start an Expense Report and save it, then log back in later to complete it'), 2. Print out the completed form and sign it, and 3. Mail completed and signed form to CWEB with all your original receipts (noting that printed receipts from an online textbook vendor are acceptable). Under the heading 'Reminder:', it states that the following conditions must be met before starting and submitting the report: 1. A verified internship site in a public Child and Youth agency, 2. A signed CWEB Contract must have been received by the program, 3. Your Permission to Release Academic Information Form (FERPA Release), and 4. You must have entered your child welfare course information. A green arrow points to a 'Next' button at the bottom left.

Read all the instructions on the screen and click **“Next.”**

Book Expenses

1. \$100 is allocated towards books for your Child Welfare course. Students must purchase books and supplies directly and submit an Expense Report; funds cannot be disbursed ahead of time.
2. If you do not use all your \$100 book allowance, you may use the remaining funds to purchase another child welfare-related book.
3. Keep in mind that anything over \$100 cannot be reimbursed. You will be able to see your balance as you enter your expenses.
4. If you rent a book and wish to purchase it at the end of the rental period, you may do so as long as the total price (initial rental price plus buyout) does not exceed the book's cover price. CWEB will reimburse you up to the amount of the original purchase price.

EXAMPLE

You rented a textbook for \$65 and the original purchase price is \$100. At the end of the rental period you may submit for the remaining \$35 of the original price should you choose to convert your rental into a purchase.

- a) Receipts or other documents must show:
 - a. Vendor name
 - b. Date of purchase (**not** the shipping date)
 - c. Amount
 - d. How you paid for the item
Examples: Cash, credit card, check, money order.
 - e. Proof that payment has been made
Examples:
 - i. For checks, proof that check was cashed (copy of both sides of your cashed check or a bank statement)
 - ii. NOT a packing slip, which usually does not show amount or proof of payment
 - f. Itemized description of items purchased
 - g. If ordering in someone else's name or using someone else's credit card, please indicate their relationship to you.

TIPS!

- ✓ Do not use a highlighter on your receipts – it often dissolves the ink, making the receipt illegible and therefore not reimbursable.
- ✓ If submitting credit card or bank statements, you MUST black out the account number

Expense Report# 51483 has been successfully submitted.

This screen confirms that your expense report has been successfully submitted to cwerp@pitt.edu. Please record your Expense Report number for future reference.

Next, sign the printed Expense Report and email to CWEB with all the necessary supporting documentation. Upon receipt, your expense will be reviewed and you will be notified when it has been moved forward in the reimbursement process.

Licensure Reimbursement

Beginning December 2023, CWEB students are eligible for a \$200 reimbursement for taking the LBSW exam. This reimbursement is available to students for up to one year after their graduation date, regardless of whether a student passes the exam.

The process for submitting for licensure reimbursement differs slightly from the process for normal expenses. First, a student must register and sit for the licensure exam within one year of their graduation. Upon receipt of their score, the student must then forward their registration receipt and score report to cwerp@pitt.edu. Upon receipt by the program, the student will be sent a Travel and Business Expense Form to complete through DocuSign. Once complete, the T&B and supporting documentation will be submitted to the University of Pittsburgh's Payment Processing Office and the reimbursement will be disbursed to the student's address on file.
