✔ Read this entire Expense Reimbursement Guide!!!
✔ Download and read the Expense Report PowerPoint presentation on the CWERP website
✔ Consultations are available for those having technical difficulties by contacting Joe DiPasqua at jfd28@pitt.edu

Prerequisites

To access the Online Expense Report, you will need to have provided the following:

a) Course and internship information for the semesters you are in the CWEB program in the Child Welfare Education and Research Programs (CWERP) Student Information System (SIS) at www.cwerp.pitt.edu.

General Requirements

1. **CWEB funds run from July 1st to June 30th each year.** Submissions for expenses from a previous fiscal year cannot be honored in a new fiscal year once the prior year's funds have been closed out. If a book expense was incurred BEFORE you came into the CWEB program, please contact Dr. Brooke Rawls for approval.

2. It takes **at least six weeks** to completely process reimbursements, from the time we authorize your reimbursement request until you receive a check from the University of Pittsburgh. (Reimbursement checks are processed and issued by the University, not directly by the CWEB Program.)

   Processing takes longer around holiday periods, winter breaks, the fiscal year end (June 30) and other times when all university offices are closed.

   **Please wait at least 6 weeks after submission (or resubmission of corrections) to inquire about the progress of your book reimbursement.**

3. Incorrectly completed expense reports or issues with supporting documentation will require correction and resubmission.

4. When submitting Expense Reports, only record book expenses for which you have receipts.

5. When you have completed the online portion of the process, email the **signed** signature page together with your supporting receipts and/or documents.
   
   a) Include **all relevant** receipts.
   b) Remember to keep a copy of your receipts for your own records.
Expense Report Statuses

1. Expired Expense Reports
   a) If, after 60 days, a student has not submitted supporting documentation for their expense report, they will receive an email from CWERP.
   b) At that time a student will have 15 days to send in all supporting documentation for an Expense Report.
   c) After 15 days, if documentation is not received or the student has not contacted CWERP, the Expense report status will be changed to “Expired.”
   d) If an expense report has expired, the student will have to create a new Expense Report to be reimbursed for those expenses.

2. Expense Reports and the End of the Fiscal Year
   a) Any expense reports still in created status or without supporting documentation will expire at the end of the fiscal year (June 30th).
   b) This includes Expense Reports created on or prior to June 30th in the fiscal year.
   c) Expense reports for the prior fiscal year submitted after the start of the new fiscal year will not be accepted or reimbursed.

3. Rejected Expense Reports
   a) An Expense Report will be rejected when submitted expenses are not allowable under program policy

Book Expenses

1. $100 is allocated towards books for your Child Welfare course. Students must purchase books and supplies directly and submit an Expense Report; funds cannot be disbursed ahead of time.

2. If you do not use all your $100 book allowance, you may use the remaining funds to purchase another child welfare-related book.

3. Keep in mind that anything over $100 cannot be reimbursed. You will be able to see your balance as you enter your expenses.

4. If you rent a book and wish to purchase it at the end of the rental period, you may do so as long as the total price (initial rental price plus buyout) does not exceed the book’s cover price. CWEB will reimburse you up to the amount of the original purchase price.

EXAMPLE
You rented a textbook book for $65 and the original purchase price is $100. At the end of the rental period you may submit for the remaining $35 of the original price should you choose to convert your rental into a purchase.

a) Receipts or other documents must show:
   a. Vendor name
   b. Date of purchase (not the shipping date)
   c. Amount
   d. How you paid for the item
      Examples: Cash, credit card, check, money order.
   e. Proof that payment has been made
      Examples:
      i. For checks, proof that check was cashed (copy of both sides of your cashed check or a bank statement)
      ii. NOT a packing slip, which usually does not show amount or proof of payment
   f. Itemized description of items purchased
   g. If ordering in someone else’s name or using someone else’s credit card, please indicate their relationship to you.
TIPS!

✓ Do not use a highlighter on your receipts – it often dissolves the ink, making the receipt illegible and therefore not reimbursable.

✓ If submitting credit card or bank statements, you MUST black out the account number

---

Enter book/supply expenses on the day incurred. Enter the Expense Date, Vendor (Amazon, Wal-Mart, etc.), Description (books) and Amount. If there is more than one vendor for a particular day, enter all vendor names (e.g. Amazon/Wal-Mart). Once you have finished entering your expense YOU MUST CLICK “ADD” to save the entered information. When you have finished entering your book/supply expenses click “Next”.
Glossary of Book/Supply Expense Terms

Allowed Expense - amount of your book allowance.
Submitted Expense - expenses previously submitted, approved and processed by CWERP
Pending Expense - expenses that have been submitted but are pending CWERP approval
Remaining Balance - amount of your book allowance left after subtracting both pending and submitting expenses from allowed expense.
