A HANDBOOK FOR FACULTY
2021- 2022
Updated 09/2021
Welcome Message from the Dean

Welcome to the University of Pittsburgh School of Social Work! You have chosen to join one of the top social work programs in the nation, and we very much look forward to getting to know you and working with you!

The School has a long and rich commitment to social justice, excellent educational programs, world-class research, and strong ties and involvement with the broader Pittsburgh community. Since 1918 our School has been a trailblazer. Our faculty and our working relationships with community partners makes our continued excellence, innovation, and success possible! At the heart of this is our work with the next generation of social work practitioners, scholars, and leaders. We are deeply committed to teaching and to giving our students the best possible experience -- in the classroom, in the field, and in their interactions with us and their peers. This requires the joint efforts of all of us to prioritize the student experience, to share our expertise, experience, and selves with our students, and to be constantly thinking about how we’re doing this so that we stay inspired, engaged, and inclusive. We are shaping the future of our field, our colleagues, and our future leaders!

As we move into the future, we are committed to working together, with the communities around us, and with colleagues and collaborators around the world to apply the principles and values of Social Work to address the very challenging issues within our society. We are very fortunate at Pitt to be supported by the broader university, to have excellent working relationships with colleagues across the medical and academic campuses, to have deep commitments and involvement in local communities, organizations, and efforts, and to have a strong network of community partners, philanthropic foundations, and organizational leaders— these strengths allow us to conduct the types of research, teaching, and service that are at the heart of all that is wonderful about social work!

We look forward to working with you and seeing you flourish as you move forward in your teaching and your work with our students. May we all grow collaboratively so we and our students are engaged in careers that improve knowledge, practice, and policy as well as advance social justice, empower communities, and expand individual potential.

Thank you for bringing your passion, skills, and energy to join us in this mission!

Sincerely,

Elizabeth M.Z. Farmer, PhD
Dean

INTRODUCTION
The Faculty Handbook provides essential information to Instructors in the School of Social Work. It is not intended to be a complete statement of all School and University of Pittsburgh policies. The online handbooks aim to provide the most current information possible; sites are updated regularly. However, information contained in the Faculty Handbook is subject to change at any time. The handbooks are intended to serve as a general source of information and are in no way intended to state contractual terms.

The University of Pittsburgh’s School of Social Work, successor to the Division of Social Work in the Department of Sociology, was founded in September 1918 and accepted its first class of Master of Social Work (MSW) students that year. During the MSW Program’s more than half century of existence, there have been significant social, economic, and political changes in the U.S. and around the world. The MSW Program takes pride in its history and in the commonalities that remain as it looks to the future. The MSW curriculum has been developed to competently meet the needs of the 21st century problems and situations, and is enacted across all program options: Pitt-Oakland (main campus), Pitt-Johnstown, and Pitt-Bradford.

MISSION STATEMENTS

School of Social Work Mission
The School of Social Work advances and applies knowledge for the fulfillment of human potential through the prevention and amelioration of social problems, and the promotion of well-being. The School commits to promoting the values of social, economic, and environmental justice. Recognizing the complexities of contemporary society, the School dedicates itself through its educational, research, and service activities to advocate for a society that respects the dignity and achievement of all individuals, families, groups, communities, and organizations.

MSW Program Mission
In furtherance of the School’s mission, the MSW Program’s Mission Statement, which applies across all program options, was adopted by faculty on February 14, 2020. The MSW Program’s mission is grounded in the purpose and values of the social work profession as well as an understanding of the program’s context. In furtherance of the University’s and School’s missions, the MSW Program strives to prepare graduates with the specialized knowledge and skills needed to engage in evidence-informed and culturally responsive advanced social work practice – either Direct Practice with Individuals, Families, and Small Groups or Community, Organization, and Social Action (COSA) – that promotes human and community well-being and is guided by a person-in-environment framework, a global perspective, respect for human diversity, and knowledge based on scientific inquiry. The MSW Program’s mission reflects the social work profession’s values of service, social justice, the dignity and worth of the person, the importance of human relationships, integrity, competence, human rights, and scientific inquiry.
BASW Program Mission
In furtherance of the School’s mission, the BASW Program’s Mission Statement was adopted by faculty on February 14, 2020. The BASW Program, built on a strong liberal arts base, prepares its students to be competent entry-level generalist social work practitioners and for graduate education. Recognizing the profession’s values of service, social justice, the dignity and worth of the person, the importance of human relationships, integrity, competence, human rights, and scientific inquiry, the program provides students with the knowledge and skills needed to advance human and community well-being. Utilizing a person-in-environment framework, the program prepares students to enhance the quality of life for all people, locally and globally; to practice with diverse populations; to analyze critically the social, economic, and environmental factors affecting individuals, families, groups, organizations, and communities; and to advocate for those who confront structural barriers; thus, program graduates are prepared for service and leadership.

ONBOARDING PROCESS: I Signed My Contract, Now What?

Complete Payroll Information in Online Equifax Packet (all Campuses)
You should receive an email from Faculty Records with your onboarding documents, including the tax forms, direct deposit form, and Part One (1) of your I-9 (I-9 is a two-part process). This must be completed before moving forward. If you do not see the email, check your spam folder. If you still do not see it, click here to email faculty records facrec@pitt.edu, as they are the ones who send out the packets.

The I-9 - Part Two (2)
After completing the 1st part online, you must go to present personal identification documents at the relevant Pitt campus office. A list of acceptable documents required for the 2nd part can be accessed upon completion of the 1st part. Examples include state driver’s license, passport, Social Security card, and/or birth certificate. You will need to take original copies, as federal law prevents accepting photocopies or pictures.

- Pitt-Oakland
  For Pitt-Oakland, either Panther Central in Litchfield Towers Lobby (3990 Fifth Ave.) or Craig Hall (200 S. Craig St.) to show your IDs in person (i.e. driver’s license, Social Security card, birth certificate). Please contact the HR Department if you have questions: 412-624-7000, option 3. The offices are open Monday through Friday from 8:30am-5:00pm.

- Pitt-Johnstown
  Instructors for the Pitt-Johnstown MSW Program must make an appointment with Kathy Patterson, (261 Blackington Hall) pattersn@pitt.edu, 814-269-7030 to show your IDs in person.

- Pitt-Bradford
  Instructors for the Pitt-Bradford MSW Program will need to make an appointment with Ms. Jenna Swanson, Payroll Specialist, at jds204@pitt.edu or 814-362-7531 to show your IDs in person. Human Resources is located in the Control Tower Building on the Pitt-Bradford campus.
Fill Out Local Services Tax Exemption Form (if applicable)

If you are fully employed elsewhere, fill out the Local Services Tax Exemption Form and submit it to the Payroll Department. This can be done via fax (412-624-8072) or in person on the 2nd floor of Craig Hall between the hours of 8:30am and 4:30pm. If you’re going to be on the Pitt-Oakland campus, consider going to Craig Hall to complete all of the forms at once.

Enroll in Health Insurance (if applicable)

Part-time School of Social work instructors on each campus are eligible for health benefits. You have 30 days from your date of hire to enroll by submitting your paperwork to the Benefits Office. Specific information regarding the terms and conditions of medical insurance coverage and other benefits is available on the Human Resources Benefits website. Questions are best directed towards the Benefits Department (412-624-8160), located on the 3rd floor of Craig Hall, 200 S. Craig St. (Pitt-Oakland Campus Map)

Get Your Pitt ID

As Instructors for the School of Social work, you will need to secure a photo identification card. On each campus, it may be required to enter a building or to secure resources, such as access to library materials.

- **Pitt-Oakland**
  Once your I-9 is complete, you can obtain your ID from Panther Central in the Litchfield Towers Lobby: 3990 Fifth Avenue (Campus Map). You will need to present both your appointment letter and photo ID (driver’s license, passport, etc.). The University, as a whole, is striving to go paperless; showing Panther Central the online / PDF version of your appointment letter through DocuSign will suffice. Get your picture taken and receive your ID the same day. If lost, a new ID costs $20 and must be obtained from Panther Central.

Note: Free Access to Public and University Busses

University of Pittsburgh students, faculty, and staff ride all Port Authority Transit (PAT) buses, trolleys and inclines within Allegheny County free of charge. Check online schedules or get a printed schedule at the Department of Parking, Transportation and Services Office, 3525 Forbes Avenue.

Important Note for New Instructors: You cannot get your ID until Faculty Records has entered your appointment for the current term. This occurs typically for Fall appointments in August and spring appointments late December/early January. It is a good idea to contact Panther Central directly to make sure your appointment is active before going there: 412-648-1100 or panthercentral@pitt.edu.

INSTRUCTOR OBLIGATIONS

An instructor accepts an obligation, in relation to his or her students, to discharge his or her duties in a fair and conscientious manner in accordance with the ethical standards generally recognized within the academic community as well as those of the social work profession.

Without limiting the application of the above principle, members of the faculty are also expected (except in cases of illness or other compelling circumstances) to conduct themselves in a professional manner, including the following:

1. Hold classes on time, for the identified length of time.

2. If there is an emergency of unforeseeable issue, classes should be cancelled with sufficient notice except when emergencies do not allow for it

3. Contact Program directors/coordinators in the event of a planned/unplanned class absence so that content can be provide to students.

4. Announcements and emails should be posted and/or sent out through CANVAS alerting students to the cancellation of class. Keep in mind that many students travel long distances and pay for parking. Without advanced notice students may make an unnecessary trip to campus which ultimately translates into a loss of time and money for them.

5. Be available at reasonable times for appointments with students, and to keep such appointments.

6. Make appropriate preparation for classes and other meetings.

7. Perform their grading duties and other academic evaluations in a timely manner.

8. Describe to students, within the period in which a student may add and drop a course, orally, in writing, or by reference to printed course descriptions, the general content and objectives of a course; and announce the methods and standards of evaluation, including the importance to be assigned various factors in academic evaluation and, in advance of any evaluation, the permissible materials or references allowed during evaluation.

9. Base all academic evaluations upon good-faith professional judgment.

10. Not to consider, in academic evaluation, such factors as race, color, religion, sex, age, national origin, and political or cultural affiliation, sexual orientation, and life-style, activities, or behavior outside the classroom and the field experience unrelated to academic achievement or professional development.
11. Respect the confidentiality of information regarding a student contained in University records; and to refrain from releasing such information, except in connection with intra-University business, or with student consent, or as may be required by law.

12. Not to exploit their professional relationship with students for private advantage; and to refrain from soliciting the assistance of students for private purposes in a manner which infringes upon such students' freedom of choice.

13. Give appropriate recognition to contributions made by students to research, publication, service, or other activities.

14. Refrain from any activity which involves risk to the health and safety of a student, except with the student's informed consent, and, where applicable, in accordance with the University policy relating to the use of human subjects in experimentation.

15. Respect the dignity of students individually and collectively in the classroom and other academic contexts.

Diversity, Equity and Inclusion
The University of Pittsburgh does not tolerate any form of discrimination, harassment, or retaliation based on disability, race, color, religion, national origin, ancestry, genetic information, marital status, familial status, sex, age, sexual orientation, veteran status or gender identity or other factors as stated in the University’s Title IX policy. Syllabus

The School of Social Work utilizes a standardized syllabus format which will include for you required information including learning outcomes, School, and University policies.

Textbooks

• If you are teaching a multi-section course, the lead instructor may order your textbooks in some cases. Please check with the lead instructor.

• For single section courses, textbooks need to be ordered at least four weeks before the beginning of each term. When placing textbook orders, you will need to know:

  - **Pitt Class Information**: course subject (i.e. SWGEN, SWINT, SWCOSA, etc.), catalog number (four digit number), class number (CRN/5 digit number) and # of students enrolled

• Textbooks need to be ordered online from the University Book Center or by calling 412-648-1450. Instructors will also be assigned administrative support (identified in your appointment letter) who can assist with ordering books.

Instructor/Desk Copies

The MSW Program Assistant has been designated as your contact person to order books through the publisher. It may take 3 to 4 weeks to receive your desk unless the publisher provides an e-book copy. Please let the MSW program assistant know as soon as possible if you would like desk copy orders for you. The desk copy is typically free whether it is a hard copy or any book. Some instructors prefer a hard copy and if the publisher doesn’t offer that as a free option, then the book will need to be purchased. The MSW program assistant can purchase the book for you or you can purchase the book yourself and submit a receipt for payment.

A free desk/instructor copy of your textbook may be obtained by contacting the publisher directly. Publishers’ websites often have request forms and contact information with clear instructions. In most cases, whether you order from the publisher directly OR the MSW Program Assistant orders the desk copy for you, you will need to provide this information:

• **Pitt Class Information**: course subject (i.e. SWGEN, SWINT, SWCOSA, etc.), catalog number (four digit number), class number (CRN/5 digit number) and # of students enrolled
