

In addition to the required classes, it is mandatory for fellows to attend the bimonthly IHC Seminar Series.

NOTE: The second level HBSE course, SWBEH 2066HB: Health/Mental Health will not be accepted for fulfilling the second level HBSE course requirement for the **MSW/MPH joint degree**. The content of SWBEH 2066HB significantly overlaps with the course content of BCHS 2520: Theories in the Graduate School of Public Health.

Required Field Work

The second, concentration placement (12 credits) is completed in a program, unit, or agency that has a primary focus on direct practice related to integrated health care.

Required Courses

The sequence of courses required in this specialization provides the advanced knowledge and skills needed by social workers to help individuals and families maintain good health, prevent negative health status outcomes, and manage the psychosocial components of health and well-being. Students must complete all concentration requirements as well as those of the IHC Program. Therefore, in addition to taking Models of Intervention (SWINT 2082); an Advanced Practice course in cognitive-behavioral (SWINT 2031), social systems (SWINT 2032), or psychodynamics (SWINT 2033) approaches; a second-level research course; and electives, students seeking to declare the Integrated Health Care Certificate must take the following courses:

SWBEH 2066	HB: Health/Mental Health (HBSE II) (offered in Spring Term only)	3 crs.
SWWEL 2056	Health Care & Public Policy (Policy II) (offered in Fall Term only)	3 crs.
SWINT 2025	Advanced Social Work Practice in Integrated Health Care (offered in Fall Term only)	3 crs.
SWINT 2073	Integrated Healthcare and Pharmacology (offered in Spring Term only)	3 crs.
OR		
SWINT 2007	Introduction to Psychopharmacology in SW Practice (offered in Fall and Spring Term)	3 crs.
