Primary Care Health Services, Inc.
Job Position: Behavioral Health Therapist
Supervisor: Director of Behavior Health & Social Services

About the Position
Under the direction of the Director of Behavioral Health & Social Services and as a part of a multidisciplinary team the Behavioral Health Therapist (BHT) will provide direct services including individual, couple, family, and group therapeutic services to patients, including assessments, treatment plans and discharge planning.

ESSENTIAL DUTIES
• Addresses referrals from providers including referrals via warm hand-offs • Participates in supervision and interdisciplinary team meetings to assess needs and coordinate services • Maintains weekly scheduled appointments in collaboration with multidisciplinary team members including external partners • Completes required documentation and paperwork including biopsychosocial assessments and treatment planning and implementation in a timely manner • Demonstrates cultural humility and a commitment to trauma informed care • Other duties as assigned.

Physical Demands
While performing this work, the incumbent: • Will spend substantial time standing, sitting, speaking, and listening • Must regularly lift and/or move up to 10 pounds, and occasionally lift and/or move up to 25 pounds • May travel via personal vehicle or public transportation to other facilities. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of the job.

Qualification/Experience
These specifications are general guidelines based on the minimum experience normally considered essential to the satisfactory performance of this job.

Additional requirements include
• Knowledge of electronic medical records and documentation.
• Knowledge of community resources.
• ability to pass background check.
• valid Pennsylvania State Driver’s License.
• TB Clearance; COVID-19 vaccination.
• Master’s degree in social work, counseling or related discipline.
• Act 33/34 Clearances.

To perform effectively in this position, the incumbent must have/be:
• Working knowledge of Clinic policies and procedures including telehealth implementation.
• Knowledge and experience with evidence-based practices, including trauma informed care framework and integrated practices.
• Knowledge and experience working with co-occurring populations (chronic health conditions, mental health, and substance use)
• Experience with children, adolescents and families is a plus.
• Strong clerical/administrative skills
• Ability to make routine decisions and determine proper action based on experience within the limits of policy and procedures.
• Demonstrated oral/written clinical skills
• Ability to work effectively with people of diverse cultures, ages, and economic backgrounds in a culturally competent and sensitive manner.
Education & Licensure:

- Master’s Degree in Social Work or related field from an accredited university.
- LSW, LCSW, LMFT, LPC or Licensed psychologist in good standing in State of Pennsylvania
