

BLUE RIDGE BEHAVIORAL HEALTH SERVICES

We are currently seeking two Maryland Licensed (or License-eligible) therapists. One position serving children, adolescents, and families. The other position serving adults, couples, and families. Join our thriving multi-disciplinary group practice of social workers, counselors, psychologists, and psychiatrists.

We provide comprehensive therapy services and medication evaluation and management. We are a highly respected and long-established practice with a strong referral base and collaborative relationships with area providers.

We Provide:

- A Flexible Schedule – No Required Weekends/Holidays
- Mentoring Available for all Incoming Therapists
- Twice a Month Clinical Meetings
- Ongoing Clinical Collaboration
- Comprehensive Administrative Support and Billing
- Ample Referrals to Build Caseload
- Excellent Earning Potential with Limited Managed Care Exposure
- Opportunity for Ownership

Requirements:

- Applicants are Licensed (or licensed eligible) in MD to practice independently
- Appropriate specialized training
- Two years of post-licensure experience is preferred

A complete application will include a CV or Resume with a cover letter indicating areas of interest and specialization.

Job Type: Full-time

Income: \$90,000.00 - \$120,000.00 (based on thirty patients a week)

Benefits:

- Simple IRA matched to 3%
- Access to our group health insurance policy

COVID-19 considerations: We are currently providing services in-person and via telehealth.

Work Location: Single location in Frederick, MD

Send cover letter and CV to llepeonka@blueridgebehavioralhealth.com
