

Point Park University is seeking a part-time instructor to teach an online/asynchronous Program Development, Evaluation, & Assessment course in the MA Community Psychology Program this fall.

Interested candidates can follow up with Sarah Schulz directly via email by sending a resume/cv.

Sarah Schulz, PhD, LSW | She/Her
Chair & Associate Professor, Department of Psychology
502K Lawrence Hall
Point Park University

Psyc 563 Course Description

Practical skills will be learned regarding the creation and implementation of programs related to community building, health initiatives/services, and non-profit organizations. The course will include necessary knowledge of local and federal restrictions and support, coalitions, technical assistance and local community partnerships. Program evaluation and assessment skills will be taught.

Psyc 563 Course Objectives

- (1) Identify basic tools for strategic planning for program development.
- (2) Identify and define basic tools for the evaluation and assessment of programs.
- (3) Apply basic tools for evaluation and assessment of programs to solve common organizational problems.
