• **Social Worker MSW**

  05646 - Steubenville Dialysis

  04065 - Paris Dialysis

Apply  

1799 Sinclair Avenue Suite 1, Steubenville, Ohio, 43953-3373, United States of America  

Be different. Do what you love.

Use your natural gift of education and persuasion to help patients and their families cope with the effects of kidney disease. Life on dialysis can be a difficult transition for many patients—and you'll be there to support and advocate for them. In this vital role, you will help patients understand their rights and responsibilities, and guide them in managing the physical, mental, emotional and financial demands of End Stage Renal Disease.

If you love patient-centered health care with real relationships inside a company that encourages fun on and off the clock, then DaVita is the place for you.

We offer career options to fit your lifestyle.

Here is what you can expect when you join our Village as a Social Worker:

• A community first, company second culture based on Core Values that really matter.  
• Clinical outcomes consistently ranked above the national average.  
• Award-winning education and training across multiple career paths to help you reach your potential.  
• Performance-based rewards based on stellar individual and team contributions.  
• A comprehensive benefits package designed to enhance your health, your financial well-being and your future.  
• Dedication, above all, to caring for patients suffering from chronic kidney failure across the nation.  
• Licensed or registered in the state of practice as required by state regulations.  
• Master’s degree in Social Work (MSW) required with a specialization in clinical practice  
• Two years of experience as a social worker in a healthcare setting preferred  
• Demonstrated knowledge of government and private insurance programs  
• Basic computer skills in MS Word, Excel, PowerPoint and Outlook as well as functional proficiency with DaVita specific applications within 60 days

Join us as we pursue our vision "To Build the Greatest Healthcare Community the World has Ever Seen."

Why wait? Explore a career with DaVita today.

At DaVita, we strive to be a community first and a company second. We want all teammates to experience DaVita as "a place where I belong." Our goal is to embed Diversity & Belonging into everything we do in our Village, so that it becomes part of who we are. We are proud to be an equal opportunity workplace and an affirmative action employer. As such, individuals are
recruited, hired, assigned and promoted without regard to race, national origin, religion, age, color, sex, sexual orientation, gender identity, disability, protected veteran status, or any other protected characteristic.

**Salary/ Wage Range**
Compensation for the role will depend on a number of factors, including a candidate’s qualifications, skills, competencies and experience and may fall outside of the range shown. DaVita offers a competitive total rewards package, which includes a 401k match, healthcare coverage and a broad range of other benefits. **About Us**

• About DaVita Inc.
  DaVita (NYSE: DVA) is a health care provider focused on transforming care delivery to improve quality of life for patients globally. The company is one of the largest providers of kidney care services in the U.S. and has been a leader in clinical quality and innovation for more than 20 years. Through DaVita Kidney Care, the company treats patients with chronic kidney failure and end stage kidney disease. DaVita is committed to bold, patient-centric care models, implementing the latest technologies and moving toward integrated care offerings for all. Through these efforts, DaVita has also become the largest provider of home dialysis in the country. As of March 31, 2020, DaVita served 207,000 patients at 2,772 outpatient dialysis centers in the United States. The company also operated 282 outpatient dialysis centers in ten countries worldwide. DaVita has reduced hospitalizations, improved mortality, and worked collaboratively to propel the kidney care industry to adopt an equitable and high-quality standard of care for all patients, everywhere.
