PITTSBURGH MERCY

SCHOOL BASED/OUTPATIENT THERAPIST

ABOUT PITTSBURGH MERCY
We’re a community-based health and human services organization using person-centered care to treat our area’s most vulnerable populations. We work with families in settings that are safe and familiar to them, and view them as equal partners when planning, developing, and monitoring care.

Our mission is to be a compassionate, transforming presence within our communities. We reach out to offer help – and hope – to people who are experiencing:

- Mental illness and substance abuse
- Physical health needs
- Intellectual disabilities
- Traumatic events or circumstances, including homelessness + abuse

ABOUT THE ROLE
Our School Based/Outpatient Therapists provide individual, group and family psychotherapy to children and adolescents with mental health and behavioral disorders in local schools and our Reedsdale office facility located on the north shore. We’re looking for confident clinicians accustomed to evaluating, planning, and providing compassionate services; plus all related documentation and case management work.

ABOUT YOU
Are you a time management pro and a team player? While all of our therapists are expected to manage their caseloads and function independently, they’ll also collaborate with others in a team-based approach to care. If this sounds like you, please apply today!

RESPONSIBILITIES/REQUIREMENTS
- Master’s degree in Counseling, Psychology, Social Work or related field
- Clinical license preferred (LPC/LCSW)
- Valid driver’s license
- Act 33/34, state, and FBI clearances.

ROLE
The Outpatient Therapist will provide individual and group psychotherapy to a child and adolescent mental health population utilizing trauma-informed, Cognitive Behavioral Therapy (CBT), and Motivational Interviewing (MI) in a brief treatment model within a school and office setting. Duties include the provision and documentation of related case/care management functions. The therapist participates in Treatment Team meetings including collaboration with psychiatric and other organization staff. The Therapist is responsible for maintaining the clinical documentation according to Federal, State, County and Organizational polices and procedures. Local travel will be necessary as credentialed professional will be needed to move from site-to-site. Therapists will provide school based therapy services as assigned.
**Requirements:**

Master’s Degree in Human Services with 2 years experience in Human Services; LCSW or LPC preferred.

**Schedule:**

Full-time - Monday through Friday, with some evening hours as needed.
