School Social Worker

Position Type: Non-Certificated Personnel - Act 93/School Social Worker
School Social Worker (200/Days - Exempt)
Minimum Education: MA/MS in Social Work. Licensed in the state of Pennsylvania to provide mental health services (LSW/LCSW, etc.)
Minimum Experience: A minimum of three years of experience in an educational environment is preferred. Effective interpersonal and communication skills. Ability to work independently and exercise good judgment in prioritizing tasks. Ability to work collaboratively with students, parents, and school staff.

The Westmoreland Intermediate Unit is seeking qualified applicants for a School Social Worker with an anticipated start date of July 1, 2021.

The School Social Worker provides comprehensive school social work services to students, parents, and school staff, addressing barriers that limit students from receiving full benefit from their school experience. The School Social Worker helps identified students by providing direct services and by assisting families in accessing appropriate community resources. In addition, the School Social Worker will assist students in developing interventions to promote academic, behavioral, and social success. The School Social Worker will also collaborate with school staff to implement and monitor interventions within the classroom setting. Education requirements: MA/MS in Social Work. Licensed in the state of Pennsylvania to provide mental health services (LSW/LCSW, etc.). Minimum experience: A minimum of three years of experience in an educational environment is preferred. Effective interpersonal and communication skills. Ability to work independently and exercise good judgment in prioritizing tasks. Ability to work collaboratively with students, parents, and school staff. We invite interested applicants to submit an employment application on our website at www.wiu7.org (About > Join Our Team) or copy/paste this link: https://www.applitrack.com/wiu7/onlineapp/
