The Children's Home of Pittsburgh is seeking a Full-Time Permanency Social Worker in our Adoption Program.

This individual will primarily work with children and families in the foster care system providing services through Pennsylvania's Statewide Adoption and Permanency Network (SWAN). This individual will complete child preparation units of service, working with children in their foster homes to help prepare them for permanency, and also will work with families interested in adopting a child from foster care by writing SWAN family profiles, matching families with a child, and providing foster care services to the child and family after placement. This individual will also be responsible for running group orientation meetings and training adoptive families in a group setting.

This individual may provide other SWAN services as needed and will be responsible for providing 24/7 On-Call services for the adoption department on a rotating basis. This individual must be comfortable driving to client meetings, working within homes and community settings, and must be available on evenings and weekends as needed to accommodate client needs. Bachelor's Degree in Social Work or related field, plus experience in child welfare required; Master's degree preferred.
