

North Hills Art Center

Internship Opportunities

The North Hills Art Center is a small nonprofit offering art education and exhibition opportunities to all ages and abilities. The art center's mission focuses on how the arts can heal physically, mentally and spiritually. It is a goal of the art center to take the healing power of the arts to other community nonprofits that can benefit from the exposure to the arts. We have two part time employees and rely heavily on Board Member and volunteer support.

Board member involvement

Volunteer recruitment and retention

Grant identification and writing

Increase donor support

Nonprofit partnerships

Event planning and participation

Marketing
