THE SALVATION ARMY'S L.I.G.H.T. PROJECT

The Salvation Army of Western Pennsylvania received a grant from the U.S. Department of Justice Office of Victims of Crime (OVC) to develop a program to provide comprehensive services for victims of human trafficking and build capacity for serving victims throughout our 28 counties. This is being done in collaboration with other local agencies, including Pittsburgh Action Against Rape (PAAR), Justice At Work (JaW) and the Public Health Management Corporation (PHMC). Our work consists of training Salvation Army employees in identification and service provision; training community organizations- law enforcement, victim service providers, faith-based communities, immigrant communities, etc.; assisting local counties in building human trafficking/trauma informed service provider networks; providing immigration legal services free of charge; and providing comprehensive case management services to all victims of human trafficking.

RESPONSIBILITIES:

The AHT Intern will (depending on degree concentration and requirements):
Provide intensive case management for approximately 3 victims of human trafficking identified. This amount may vary based on location and client needs; Work with other service provider partners to ensure follow up and coordination of all aftercare services; Participate in awareness and training events; Assist the AHT Divisional Director in capacity building efforts in the 28 counties that The Salvation Army of Western Pennsylvania oversees. This may include finding potential partner agencies, assisting in trainings, analyzing outcomes of various initiatives, etc.; Participate in monthly Anti-Human Trafficking leadership meetings.; Be responsible for maintaining updated client records and confidentiality

REQUIREMENTS:

- Enrollment in an accredited Master of Social Work (MSW) program
- Experience or willingness to learn about trauma informed care and the issue of Domestic and Foreign Human Trafficking
- Must have a valid driver's license and reliable transportation to travel from site to site as may be needed in the performance of duties.
- Professional-level communications skills verbal and written.
- Must have the following clearances prior to the start of the internship: PA Child Abuse History Clearance, PA State Police Criminal Record Check and FBI Criminal Record/Fingerprint Check.
