NOTE:

Other COSA-Gerontology Certificate Requirements

Students must complete two gerontology-related electives:

- One of the two gerontology-related electives **must** be a COSA skill elective course (SWCOSA) where the student completes a project or assignment with a gerontology focus.

- The other gerontology-related elective can be:

  o Another COSA skill elective (SWCOSA) in which the student completes a project or assignment with a gerontology focus;

  o A gerontology elective course offered as part of the University Certificate in Gerontology, a certificate administered by the University Center for Social & Urban Research (UCSUR). Offerings may vary and include courses from various schools/departments in the University. Students selecting this option would use these three credits to fulfill an elective requirement for the MSW. Please see the website for current options UCSUR (@PittCSUR) - Graduate Certificate in Gerontology.

  o A course relevant to practice in aging that is not part of the UCSUR-administered gerontology certificate may be taken if approved by the Certificate Chairperson in advance.

For the two gerontology-related electives, students will submit to the Gerontology Certificate Chairperson a form with information about the assignment and topic.
